

Dear Newport Family

This is your superintendent. After further review of our district status, we have decided to remain in all virtual instruction until after the winter break. We feel this is the safest and best course of action for us at this time. The plan is to continue all virtual instruction until Tuesday, January 5, 2021.

We will continue to provide meal service for our students. Please check the district website for delivery times and locations. If you have additional questions about meal delivery, call the district food service director's office.

If you have questions about your student's schedule or anything school related, please call the school. If they don't answer immediately, please leave a message and someone will get back to you as soon as possible.

Thanks for your patience and understanding through this difficult and stressful time. We will get through this together. Have a great evening.

Sincerely,

Tony Watts
