**POLICY NO. 07.00**

**ENHANCING ACHIEVEMENT – LEARNING ENVIRONMENT**

Newport High School SBDM Council promotes shared leadership between those who are closest to students. Our school leadership team consists of the principal, assistant principal, school administrative manager, ER staff, central office personnel, and all department heads. The leadership team meets twice a month on Wednesday afternoon. Department heads the leadership team discussions back to their department to discuss and bring feedback to the team. This allows for entire faculty involvement in the discussions phase with ideas and recommendations frequently added as agenda items for SBDM that help enhance student achievement. Council members include parents, teachers, and administrators of the local school. The SBDM Council then has the responsibility through KRS160.345 2(c)(1) to set school policy consistent with Newport Independent Board of Education Policy, which shall provide a learning environment to enhance the students' achievement and help the school meet the goals established by KRS 160.345(2)(c)1 and KRS158.6451.
