

NEWPORT INDEPENDENT DISTRICT

NEWPORT HIGH SCHOOL

POLICY NO. 10.01

PROFESSIONAL DEVELOPMENT

Professional Development is highly valuable and ever changing as our school and our district seek to best meet the PD needs of our teaching staff and to meet the school needs identified in the Comprehensive School Improvement Plan and/or 30/60/90 Day School Improvement Plan. If required, the district plan for Professional Development will be followed to meet the Professional Development needs of teachers.

Individual professional development requests may be granted by the principal based on individual growth plans, or special needs identified by the principal and/or the Leadership team.

Those participating in individual Professional Development activities will share learning with the appropriate staff.
