

NEC Policy

- NEC list is sent out every Tuesday to the staff.
- If a student has 2 F's in any classes, their CATS Club teacher needs to speak with them during CATS to find out why they are failing. The CATS teacher should try to help the student by suggesting ESS after school or another method to increase their grade.
- If a student does have 2 or more F's then they cannot participate in any extracurricular activities, afterschool activity, and sporting events.
