

NHS Tardy Policy

Students are given a tardy slip between 7:45-7:55; they do not need to sign in between those times.

Students must sign in between 7:56-2:45, if they do not bring in a note they will be given a tardy. When they sign in between these times this will be entered into Infinite Campus.

Teachers also email a list of students who are late to each bell.

Tardy 1-3- warning for the student

Tardy 4-7- detention for the student. Every time the student is late they will receive a detention.

Tardy 8 and up- Thursday school for the student. Once the student has 8 tardies they will receive a Thursday school every time they are late.

This is effective for a duration of 9 weeks.
