FAMILY TURKEY PROJECT

Dear Families,

Today your child is bringing home a turkey. We would like you to decorate this turkey as a family. The project is due no later than Friday, November 20.

The turkey can be decorated in any way you would like. Be creative with anything you have around the house – seeds, fabric, paint, feathers, crayons, cotton balls, buttons, bows, noodles, cereal, etc. There is a limited supply of some items at school. If you need them, please let us know.

On Tuesday, November 24, Turkey Judges will be in the building awarding prizes for the best turkeys!

Sincerely,

Newport Primary School Staff
